

# The Go-Giver® Success Accelerator

## The Five Laws of Stratospheric Success

## Branding the Go-Giver Way

In six short weeks, you will have a clear vision of your success and have a plan to achieve your goals. The course is built on a foundation which combines the **Go-Giver's Five Laws of Stratospheric Success** with the principles of **Building Fearless Brands®** :

**Your Success Map** ★ **Your Value Proposition** ★ **Your Influence**  
**Your Reach and Impact** ★ **Your Unique Value** ★ **Your Mindset**

**Yes - you CAN achieve dream results.** Create Your Personalized Success Plan:

### FRAMEWORK

The Five Laws of Stratospheric Success provide a blueprint for you to achieve your business and personal goals according to your definition of success. The principles of Building Fearless Brands® guide you in defining and enhancing your value.

### ACCOUNTABILITY

A huge part of success is your ability to keep your commitments – being accountable. Having a coach – and being a part of a group provides a platform for just that.

### SUPPORT

The Success Accelerator combines the power of a highly focused coach with the benefits of a group dynamic. The course combines ongoing guidance, the sharing of new ideas within a non-judgmental environment and the creation of new relationships.

### FEEDBACK

Constructive, actionable and trustworthy feedback on your ideas, dreams and challenges. You receive as much feedback as you desire - both from other group members and via email throughout the course.
